

Md Abir Hasan

Computer Science and Engineering Student | Learning C
Programming | Exploring AI & Web Development

Phone Number: +8801341729373

Email: ahabirhasan12@gmail.com

Address: Borabo, Kaliakoir, Gazipur – 1703, Dhaka, Bangladesh

Profile

I am a motivated **Computer Science and Engineering** Student currently pursuing a B.Sc. in CSE at **Uttara University**. I am developing my programming foundation by **learning C programming** and Continously improving my technical **skills**. I can also bulid modern websites using **AI tools** and practice Vibe Coding to turn ideas into functional projects. I have a strong Interest in problem-solving, learning new **technologies**, and gaining practical experience through hands-on **projects**. I am eager to grow my skills and develop myself as a future **software developer**.

Education

B.Sc. in Computer Science and Engineering (CSE)

Uttara University, Dhaka

2026 – Present

Higher Secondary Certificate (HSC)

Misir Ali Khan Memorial College, Kaliakoir, Gazipur – 1703

2023 – 2024

- Group: Science
- GPA: 3.75/5.00

Secondary School Certificate (SSC)

Professor MEH Arif High School, Kaliakoir, Gazipur – 1703

2021 – 2022

- Group: Science
- GPA: 4.39/5.00

Internships / Work Experience

No formal work experience yet — currently building practical experience through academic and personal projects.

Skills

- **Technical Skills:** C Programming, Git & GitHub — Basic, Responsive Web Design, AI-Assisted Development, VS Code.
- **Creative / Development Skills:** Web Interface Design, Problem Solving, Building Personal & Academic Projects.
- **Soft Skills:** Teamwork, Quick Learning, Self-Motivation, Problem Solving, Attention to Detail.

Projects / Portfolio

- Personal Web Development Projects — Built and experimented with modern responsive websites using HTML, CSS, JavaScript and AI-assisted development tools.
- Student Programming Projects — Developing small programming projects while learning C programming and strengthening problem-solving skills.
- AI-Assisted Web Projects — Exploring AI tools and Vibe Coding techniques to turn ideas into functional web applications.

Extracurricular Experience

Founder & Volunteer Coordinator

Asharbindu Blood Foundation (ABF) | Gazipur - 1703, Bangladesh

2025 – Present

- Founded and contributed to a volunteer-based blood donation organization focused on connecting blood donors with patients in need.
- Coordinated volunteer activities, donor communication, and blood donation support initiatives.
- Helped organize and promote blood donation and social awareness activities.
